This event is for all Nurses and Allied Health Professionals who are Advanced Clinical Practitioners (or studying to be). This includes Advanced Nurse Practitioners, Clinical Pharmacists, First Contact Physiotherapists, Paramedics, Podiatrists, Occupational Therapists and Dietitians working in primary care in Dudley, Sandwell, Walsall and Wolverhampton.

Questions? Email:
primarycare.blackcountry@nhs.net

How can your Training Hub best support you?

Join the team at this interactive session to let us know what you and your staff need to thrive at work.

The event also includes a **three hour CPD education session** focusing on **Women's Health & Diabetes** led by **Point Six**.

Limited availability.
