

# DO YOU WORK WITH YOUNG NEURODIVERGENT PEOPLE (16+)

## IF YES, THIS OPPORTUNITY IS FOR YOU!

The WMCA's ambition is to make sure that young people with neurodiverse conditions have better chances to get jobs and live healthier, more successful lives.

This fully funded online training can help you to support young people on their career pathway and into employment.

Join us for insightful discussions and hints, tips and tools on working with young people and potential employers.

**SECURE YOUR PLACE TODAY!**

### SESSION INCLUDES:

- The language of neurodiversity
- Employment pathways and how we support individuals
- Working with employers and understanding the business case for supported employment
